Clarity Marketing & Design established it's roots in 2005. The landscape of the web was a very different one back then, and I've have had the pleasure of evolving and growing along with it. I've been privileged enough to have some really fantastic clients over the years, such as the Surrey School Board, BC Youth Week, the City of Burnaby, the Prostate Cancer Foundation of BC, Urban Baby & Toddler Magazine, West Coast Families Magazine, Abbotsford Youth Commission, Mom Inc Movement and the MS Society of Canada. Web Design & Development, Logo & Graphic Design, Social Media, Training & Workshops
