We believe that our numerous years in First Aid enables us to professionally meet our clients' needs on an individual and personal basis. We are able to facilitate the highest quality training in all levels of WorkSafe BC Occupational First Aid courses, Canadian Red Cross courses, WHMIS, and ATV/UTV courses. In addition to training we sell first aid and medical supplies and provide equipment to numerous companies in the mining and logging industry, schools and local businesses. We have an extensive rental inventory that features top of the line equipment. We also offer first aid attendants with or without our Mobile Treatment Centre. Our other services include First Aid Inspections, Audiometric Hearing Testing, Custom Hearing Testing, Drug Testing, Respirator Fit Testing and Oxygen Services. Jade First Aid & Safety is a proud supporter of local community events. We regularly volunteer first aid services and equipment for the Smithers Rodeo, Sprockids and numerous other events.
